

Model: LAMAR s ESD Protection Class: S1PS FO SR

Article: RK20056 EU Regulations: EN ISO 20345:2022

DESCRIPTION

UPPER

Comfortable safety footwear in protection standard S1PS FO SR with Super breathable Mesh and soft suede upper. Super breathable WingTex air tunnel lining.

Low-cut safety shoes with composite toecap and fully "Metal Free" Save & Flex Plus anti-perforation system for the highest levels of safety for the sole and toe of the foot.

Polyurethane reinforcement tip on toe for greater shoe durability.

Women's and men's safety shoes that ensure long-lasting comfort due to the anatomical, washable and breathable New ErgoDry insole with anti-bacterial, anti-scuff and anti-slip properties.

Work shoes with non-slip, anti-static, oil-resistant and abrasion-resistance soles, ideal for the mechanical engineering, automotive, logistics and haulage sectors, paper mill workers, craftsmen, electricians, carpenters, and warehouse workers.
